- construction facilitation

## OUR COMPANY

RHL Design Group is a one-stop shop for Architecture, Engineering, and Environmental Services.

## OUR PROCESS

RHL's systems are tailored to serve the needs of our corporate clients. We listen and adapt to their changing business needs. We are accustomed to stringent reporting requirements and fast-track schedules. Our size, multi-office geographic presence, and state-of-the-art information technology systems allow us to handle any size project or program.

## OUR HISTORY

For over 35 years we have been committed to providing outstanding service to our clients.

RHL is a multi-discipline architectural and engineering firm with more than thirty-five years of experience providing comprehensive in-house services to corporations, municipalities, and business clients. Since 1966, we have completed more than 10,000 projects in 43 states, earning a widespread reputation for providing superior design, permit facilitation, and project management. An awareness of our clients' needs has allowed us to become a partner in the implementation of numerous corporate development programs.
